Risk Warning and Disclaimer

RISK WARNING AND ASSUMPTION OF RISK

Motor Sport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death.

If you do not wish to be exposed to such risks, then you should not participate in the Motor Sport Activities.

I **acknowledge** that:

- the risks associated with attending or participating in Motor Sport Activities include but are **NOT LIMITED** to the risk that I may suffer harm as a result of:
 - motor vehicles (or parts of them) colliding with other motor vehicles or persons or property;
 - others participants acting dangerously or with lack of skills;
 - high levels of noise exposure;
 - acts of violence and other harmful acts (whether intentional or inadvertent) committed by persons attending or participating in the event; and
 - the failure or unsuitability of facilities (including grand-stands, fences and guard rails) to ensure my safety.

EXCLUSION OF LIABILITY, RELEASE & INDEMNITY

In exchange for being able to attend or participate in the Motor Sport Activities, I **agree**:

- to **release** CAMS and the Entities to the extent that any or all of them are providing Recreational Services from all liability for:
 - my **death**;
 - any **physical or mental injury** (including the aggravation, acceleration or recurrence of such an injury);
 - the contraction, aggravation or acceleration of a **disease**;
 - the coming into existence, the aggravation, acceleration or recurrence of any other **condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs**:
 - that is or may be harmful or disadvantageous to me or the community; or
 - that may result in harm or disadvantage to me or the community,howsoever arising from my participation in or attendance at the Motor Sport Activities;
- to **indemnify and hold harmless and keep indemnified** CAMS and the Entities to the maximum extent permitted by law in respect of any Claim by any person; and
- to attend at or participate in the Motor Sport Activities **at my own risk**.

I **understand** that:

- nothing in this document excludes, restricts or modifies any rights that I may have as a result of significant personal injury that is caused by the Reckless Conduct of CAMS and the Entities as the supplier of the Motor Sport Activities / Recreational Services;
- nothing in this document prevents the Entities from relying on any laws (including statute and common law) that limit or preclude their liability;
- nothing in this document excludes any term or guarantee which under statute cannot be excluded; however the liability of the Entities is limited to the minimum liability allowable by law;
- nothing in this document precludes me from making a claim under a CAMS insurance policy where I am expressly entitled to make a claim under that insurance policy; and
- CAMS has arranged some limited personal injury insurance coverage which may provide me with some protection for loss, damage or injury that I may suffer during my participation in the Motor Sport Activities. However, I acknowledge and accept that the insurance taken out by CAMS may not provide me with full indemnity for loss, damage or injury that I may suffer during my participation in the Motor Sport Activities, and that I may have to pay the excess if a Claim is made under an insurance policy on my behalf. I agree that my own insurance arrangements are ultimately my responsibility and I will arrange any additional coverage at my expense after taking into account CAMS insurance arrangements, this document and my own circumstances.

Where Motor Sport Activities are held in the following jurisdictions, I acknowledge that I have also read and accept the following warnings:

WARNING APPLICABLE IN RELATION TO MOTOR SPORT ACTIVITIES HELD IN VICTORIA

WARNING UNDER THE AUSTRALIAN CONSUMER LAW AND FAIR TRADING ACT 2012:

Under the Australian Consumer Law (Victoria), several statutory guarantees apply to the supply of certain goods and services. These guarantees mean that the supplier named on this form is required to ensure that the recreational services it supplies to you:

- are rendered with due care and skill;
- are reasonably fit for any purpose which you either expressly or by implication, make known to the supplier; and
- might reasonably be expected to achieve any result you have made known to the supplier.

Under section 22 of the **Australian Consumer Law and Fair Trading Act 2012 (Vic)**, the supplier is entitled to ask you to agree that these conditions do not apply to you. If you sign this form, you will be agreeing that your rights to sue the supplier under the **Australian Consumer Law and Fair Trading Act 2012** if you are killed or injured because the services were not in accordance with these guarantees, are excluded, restricted or modified in the way set out in this form.

NOTE: The change to your rights, as set out in this form, does not apply if your death or injury is due to gross negligence on the supplier's part. "Gross negligence" in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the Australian Consumer Law and Fair Trading Regulations 2012 and section 22(3)(b) of the Australian Consumer Law and Fair Trading Act 2012.

- a statutory guarantee that those services, and any product resulting from those services, will be of such a nature, and quality, state or condition, that they might reasonably be expected to achieve the result that the consumer wishes to achieve (as long as that wish is made known to the supplier or a person with whom negotiations have been conducted in relation to the acquisition of the services).

Excluding, Restricting or Modifying Your Rights:

Under section 42 of the Fair Trading Act 1987 (SA), the supplier of recreational services is entitled to ask you to agree to exclude, restrict or modify his or her liability for any personal injury suffered by you or another person for whom or on whose behalf you are acquiring the services (a third party consumer). If you sign this form, you will be agreeing to exclude, restrict or modify the supplier's liability with the result that compensation may not be payable if you or the third party consumer suffer personal injury.

Notes for Application and Renewal of Licences

INFORMATION FOR ALL LICENCE APPLICATIONS

Discipline-specific Licences

If you compete in more than one licence discipline, eg Circuit Racing and Rallying, you must have all licence categories included on your licence. Pre-licence requirements must be met before any category can be added to the licence.

Licence Expiry Dates

At first issue, competition and driver licences, except International, will have 12-month expiry dates which will be the last day of the month in which the licence was issued; ie, a licence application processed on 15 August, will have an expiry date of 31 August the following year, and this will become the permanent expiry date.

Renewed licences will maintain their existing expiry date.

International licences will expire on 31 December of the year of issue to comply with FIA regulations.

Licence Photographs

First time applicants for all club national and International applicants should include a recent head and shoulders photograph of passport quality, approximately 40mm x 50mm. This photo will be used on your CAMS licence.

Photographs will be stored electronically by CAMS and licence holders will be advised, with renewals, when photographs need to be updated.

CAMS Manual of Motor Sport

Applicants for all licence types have the option to receive an abridged copy of the current CAMS Manual of Motor Sport at no charge. A full version of the Manual can be found online at www.cams.com.au

Pass Books

A CAMS Pass Book will be issued to new licence holders to provide details of satisfactory completion of licence upgrade and maintenance requirements and of any penalties applied following judicial procedures. The Pass Book can also be used by licence holders to maintain a competition history. On licence renewal or upgrade of an existing licence an updated licence sticker will be provided to those who have previously been issued with a Pass Book.

Licence Performance and Skill Criteria

The performance and skill criteria for competition licences vary between motor sport disciplines.

Applicants should ensure that they meet the appropriate criteria – refer to the

Performance and Skill Criteria in the CAMS Manual of Motor Sport online at www.cams.com.au

Competitor Licences – Levels J, K, L, M, N & O (Separate application form required)

Competition vehicle owners who are not the holders of a driver/competitor licence must hold either a Level J, K, L (national) or M, N, O (international) entrant licence.

Competitor licences may be issued to individuals, companies, groups and teams who are the holders of current CAMS log books.

Sponsor and team names may appear in programs and results without a licence being held. A club affiliated with CAMS may be shown in the program, results etc as the competitor without being required to hold an entrant licence.

New applications and advice of company name change must be accompanied by a certificate of incorporation, registration, ACN or business name.

International Licences

(information extracted from Appendix L to the Intl Sporting Code of the FIA)

Regardless of the category of licence held, Australian nationals participating in international competition overseas must also hold a CAMS-issued visa which authorises them to participate in the competition noted on the visa. The highest form of CAMS licence issued is an International Driver/Competitor Licence, which is required to compete in events of international status both in Australia and overseas.

Information can be obtained from CAMS Manual of Motor Sport, Licences.

Nationality

Applicants who are not Australian citizens must have the authority of the National Sporting Authority of the country of their passport prior to a licence being issued. As required by the Federation Internationale de l'Automobile (FIA). CAMS can arrange this, but it does take time. You are

required to provide documentary evidence of your Australian residential status. This can include:

- Appropriate section of your passport
- Utility bill showing your residential address
- Statutory declaration indicating that you are a resident of Australia

Medical fitness

Applicants for CAMS competition licences must comply with CAMS medical criteria relevant to their competition level.

Where applicants do not meet the criteria, medical records may be requested by CAMS for referral to State Medical Assessors for a decision on competition fitness.

Applicants will be advised by CAMS if their medical examination or statement has not met CAMS medical criteria.

It is strongly recommended that all licence holders are vaccinated, where possible, against blood borne diseases, eg Hepatitis B etc.

Medical Examiners

Not applicable to National Off Road and National Rally Licences
Medical Examinations may be conducted by any registered General Practitioner.

When making an appointment, please advise that time will be required for a full CAMS medical examination. The Health Statement form must be completed by you prior to the appointment and the medical examination record will be completed by the Medical Examiner.

The form must be signed by both you and the Medical Examiner. Make sure you take the completed Medical Examination form with you when you leave and forward it with your licence application, photograph and fee to CAMS.

Lectures and Observed Licence Test

For the differing disciplines, new competitors are required to undertake lectures and the necessary number of Observed Licence Tests. Lectures are completed via the Internet.

To undertake a lecture via the Internet, the competitor provides details of a current e-mail address in the application form. Further information will be forwarded to this address. This email will contain a web-link, username and password. The module I.D. number and password are requested on the lecture entry screen.

The lecture is undertaken by following the prompts and completing the multiple-choice test as you go.
